

Summer Camp 2010  
Camp Horseshoe  
July 18-25

Our Summer Camp at Horseshoe Scout Reservation was eventful. On the first day, our troop had 64 scouts and eight adults. We slept in bunk houses. On Tuesday, we were hit by one of the worst storms I have witnessed in all my years with the Troop. The majority of the scouts' gear was soaked through. The week was very hot, and several scouts still became dehydrated. This years Silver Buckle Award went to Conner Grimes. Even with the rain, summer camp was a great success; scouts received many rank advancements and merit badges. I hope to see an even greater turn out next year for my last summer camp as a youth.
